

Santa Will Be There

Hospital Auxiliary's Yule Bazaar Slated

A visit from Santa Claus will climax Little Company of Mary Hospital Auxiliary's annual three-day Christmas bazaar this year.

Santa will arrive at 10 a.m. this Saturday, Dec. 2, to tell Christmas stories to the children gathered around the "Pixie House," part of the toyland display at the bazaar.

The auxiliary's bazaar will be held in the first floor lobby of Little Company of Mary Hospital at 4101 Torrance Blvd., Torrance.

On sale for the event which starts tomorrow will be toys, gifts and decorations created in the auxiliary workshop under the direction of Mrs. Arthur Grayson, the group's president.

Hours will be from 10 a.m. to 8:30 p.m. on Nov. 30 and Dec. 1 and from 10 a.m. until noon on Dec. 2.

Mrs. Jerry Frazier is chairman of the fund raising event. Her co-chairman is Mrs. Richard Stephens.

Proceeds from the bazaar go toward the auxiliary's fund for purchasing new equipment for the hospital.

Volunteers Needed

For New Pap Clinic

Torrance residents interested in joining the American Cancer Society's new "action program" against a form of cancer which strikes some 40,000 United States women annually, are asked to contact the Society's district office in Lawndale, 16503 Hawthorne Blvd.

Transportation, general office and hospital service are among immediate volunteer needs outlined by Mrs. Alfred D. Williams, Jr., chairman of the Society's referral service currently being mobilized throughout the South Bay in support of Harbor General Hospital's newly opened "Walk-in Pap Clinic."

Open from 9 a.m. to 4:30 p.m. Monday through Friday under the direction of Dr. Duane E. Townsend, the clinic — by making Papanicolaou (Pap) test available to women in the entire area served by Harbor General Hospital — seeks to detect cancer of the cervix in its early stages, when, according to statistics, it is practically 100 per cent curable.

Describing the American Cancer Society's corresponding volunteer service as an "exciting new action program" designed to support all efforts to bring the cervical cancer death rate to an all-time low, Mrs. Williams said its success depends in "large measure" upon new volunteer response from each of the local district's 23 communities.

She said that once recruited, new volunteers will be introduced to all aspects of the new program during a special orientation meeting

Stories of the North Pole

Children visiting the three-day Christmas Bazaar sponsored by the Auxiliary to the Little Company of Mary Hospital will hear Santa tell of his home at the North Pole and how he is helped throughout the year by his Christmas elves. On a recent visit to the lobby on the first floor of the hospital at 4101 Torrance Blvd., where the bazaar begins tomorrow, Santa (Jerry Frazier) shows two elves to Mrs. Frazier, co-chairman of the bazaar, Mrs. Rex Moyers, auxiliary officer, and her four-year-old son, Tracy. At Dessert Tea

Film on War To Be Seen By Hadassah

South Bay Chapter of Hadassah will present "The Goal is Peace," a film dealing with the recent six-day war, its implications and its aftermath, at a dessert tea Tuesday, Dec. 5, at the Western Federal Savings in the Del Amo Financial Center, Hawthorne and Carson, at 12:45. Produced in Israel, it is the latest of the extensive reports which Hadassah has made to its membership.

Sharing the spotlight with the film, Mrs. Joseph Heller, president of the Southern Pacific Coast Region of Hadassah, will greet members and guests. Mrs. Heller attended the recent fifty-third national convention in Miami Beach, Fla., where she heard an address by Is-

rael's Foreign Minister, Abba Eban, who declared that Israel is obsessed by the necessity to assure itself that "there shall not again be a confrontation with a joint front between the Soviet Union and the united Arab states."

Delegates to the convention also learned that the Hadassah hospital atop Mt. Scopus, near the Old City of Jerusalem, which has been unusable since 1948 when it was surrounded by hostile Arabs, has been dedicated as a rehabilitation center for those recovering from surgery, stroke, heart, and disabling diseases and will be open to Arab and Jew alike. Hadassah will transfer its School of Occupational Therapy to this location.

Mrs. Ben Ruby of Torrance will act as chairman for the Dec. 5 meeting.
